During the year a record player, with language records, was added to the library equipment. The library was given State Aid through the State Library Commission, and this was used to purchase books for the use of students. With this and additional money from our own funds about six hundred dollars worth of books in this class were added to the stacks.

Again the library has benefitted from gifts.

MUNICIPAL COURT OF OSSISPEE

To the Selectmen of the Town of Ossipee:

I submit the following report of the Ossipee Municipal Court:

Cash Receipts for year, 1960	\$14,159 59	
Received for certified copies	1 00	
Partially paid cases	1,316 58	
Restitution and small claim	99 11	
Reimbursement from town for 1959 supplies	97 34	
		<hr/>
		\$15,673 62
Less cash disbursements for year:		
Cash disbursements	\$14,159 59	
Supplies	105 78	
		<hr/>
	\$14,265 37	
		<hr/>
		\$1,408 25
Cash on hand	11 33	
Check book balance	1,396 92	
		<hr/>
		\$1,408 25
Payments of the 1960 accounts were divided as follows:		
Town of Ossipee	\$5,162 89	
Motor Vehicle Dept.	6,957 50	
Fish & Game Dept.	1,128 00	
Public Utilities Comm.	342 00	
Carroll County Treasurer	22 50	
Small Claims & Misc.	546 70	

A total of 889 cases were handled. While motor vehicle violations constitute the bulk of the cases,

motor boat cases now begin to take on some proportion. Fish and Game matters vary little. There are always some heartbreaking domestic relation and juvenile cases.

The Justice, the Associate and Clerk of Court have tried to maintain an orderly and efficient Court where the public is served with dispatch and courtesy. Of course a few individuals are always dissatisfied with any verdict or judgment.

Through the Carroll County Law Enforcement Association the place of the town police officer has taken on new importance. These men are giving very real assistance in keeping our roads and property safe.

The constantly improved means of transportation, on land, on the water and in the air, place ever increasing burdens on all law enforcement officers.

I wish to thank all connected with the Ossipee Municipal Court for their good work and co-operation.

PARKER M. MERROW
Justice

FOREST FIRE WARDEN'S REPORT

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal, state or federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First - by setting a good example YOURSELF - being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second - by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.

3. Make certain your fire, camp or debris, is DEAD OUT before leaving it.
4. Don't throw down lighted matches, cigars and cigarette or from moving vehicles - make sure they are out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires: 0

Number of acres burned: 0

Number of permits issued: 19

Having completed my first year as school nurse-teacher, I wish to thank those parents and guardians who have been so cooperative in the correction of defects found through screenings and examinations. We must all strive together to keep our children in the best health possible, both in body and mind, if

we are to expect them to achieve full benefit from the educational facilities which we endeavor to provide for them.

I also extend my appreciation to the members of the School Board, Mr. Brasier, the teachers, and to the custodians for their provisions and efforts toward the maintenance of a healthy school environment.

My sincere thanks to Dr. Dube and Marion Davis for their orientation, guidance, and counseling in the nursing work.

Sincerely,

NOTICE

There will be a special school district meeting on Saturday, May 13, 1961 for the purpose of voting on the proposed cooperative school to be located in Conway. Reports of the study will be available prior to the special meeting.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Ossipee:

During the school year 1959-60 the teachers in the Ossipee Central School were:

Principal Mr. Charles Pinkham, science and remedial reading

Grade 8 Mr. Warren Anthony

Grade 7 Mrs. Ruby Pearson

Grade 6 Mrs. Edna Kennard

Grade 5 Mrs. Beatrice Harmon

Grade 4 Mrs. Lillian Godfrey

Grade 3 Mrs. Florence Eldridge

Grade 2 Mrs. Lucinda Gilman

Grade 1 Mrs. Alice Loud

At the opening of school in September, 1960 Mr. Anthony was succeeded by Mr. Hugh O'Connor as teacher of the eighth grade and director of the physical education and sports program. Mr. O'Connor is a graduate of Springfield College and has had experience as a city recreation program director. Ossipee is fortunate to have a devoted and effective corps of teachers.

The school health services were under the direction of Mrs. Gertrude Dale, R. N., and she is continuing her efficient work in this position during the current year. Examination of those participating in

the sports program is made by Dr. Francis J. C. Dube.

During the year a total of 199 pupils were enrolled with an average membership of 192.2 pupils. In September, 1960 the school opened with 194 pupils enrolled.

Enrollment in high schools was as follows:

High School	Enrollment Total	Membership Average	Rate Tuition
Brewster Academy	26	22.9	\$360.00
Kennett High School	44	40.7	355.00
Quimby School	1	1.0	350.00

Of the high school pupils currently enrolled 18 are seniors. The eighth grade has an enrollment of 28 pupils, making a potential high school enrollment in 1961-62 of 79 pupils. Tuition rates announced for 1961-62 are: Brewster Academy \$360.00, Kennett High School \$395.00, and Quimby School \$375.00.

At the last annual Town Meeting it was voted to deed the Community House to the School District. At the School District meeting it was voted to authorize the school board to accept the deed of the Community House and land. With some alterations this building can be adapted to use by the school for storage rooms, more efficient school lunch service, and possibly office space for the superintendent of schools.

During the past year committees have made a study of a proposed cooperative school district to provide a junior high school and a senior high school for ten towns with the schools to be located in Conway. This is intended to provide instruction for grades seven through twelve. Reports of this study

should be available prior to our annual district meeting, and an article in the warrant with reference to this proposed cooperative.

At the last annual district meetings Effingham, Freedom, Madison and Ossipee appropriated funds to be used for music instruction. These districts jointly engaged Mrs. Dagny Blouin as the music teacher. This is the first time our pupils have experienced the advantage of music instruction by a professionally trained music teacher. Mrs. Blouin holds the degree of Bachelor of Music, and has taken education courses at the University of New Hampshire. Necessarily the instruction this first year is elementary, but the children are making good progress and are enjoying the experience. Mrs. Blouin is to be complimented on the good work she is doing.

During the past year the basement room, formerly used as a shop, has been decorated and equipped for use as a school library. Mrs. Ruby Pearson serves as librarian. Prior to this our collection of reference and supplementary books had been stored in the various classrooms and the principal's office. The present arrangement makes for greater availability of these books to all the children with a consequent increased circulation. Several books have been added during the current year and it is planned to build, gradually, a good collection of reference books and children's literature graded at the various levels. The response by the children as shown by the circulation records, is very gratifying.

It has been my privilege to serve as your superintendent of schools during the past fifteen years. My association with members of the school board,

teachers, citizens, and pupils has been very pleasant, and is most earnestly appreciated.

January 16, 1961.

Respectfully submitted,

EVERETT H. BRASIER
